

General Meeting 26 April 1963

Lakehead Amateur Radio Club

The meeting was well attended with a good number of visitors and prospective hams attending too.

There was a discussion on the matter of covers for "High-Q" and it was recommended to use stencilled covers.

A motion to buy a new stapler was moved by Don Brown - VE3EDJ and seconded by Bill Blennerhassett - VE3AGA. Dave Kimpton - VE3AVS was instructed to buy a new stapler.

Because of our need for a letterhead, a rubber stamp was suggested by Bill Blennerhassett - VE3AGA, as the cost of printed paper and envelopes was found to be too high. Dave Kimpton - VE3AVS will check into that.

Roy Lindenhoff - VE3EEG, our President, passed along some QSL samples as a QSL card is needed for our Club station now that it is back on the air. Dave Kimpton - VE3AVS will bring some Ontario publicity QSL cards and look into a rubber stamp for that also.

Next on the agenda was the Grand Marais Picnic and it was recommended that the Secretary Treasurer, Herman Prenger - VE3EEF, write to the Duluth Club. A motion on same was moved by Bill Blennerhassett - VE3AGA and seconded by Dave Kimpton - VE3AVS.

Field Day. Don Brown - VE3EDJ will contact Archie Killens, the owner of the property in O'Connor township (where a previous Field Day was held) and ask him for the use of the property again this year by the L.A.R.C. Regarding equipment to be used, Dave Kimpton - VE3AVS said he would ask Ernest (Ernie) A. MacDonald - VE3EDP for use of his again. Bill Roberts - VE3ARN mentioned the fact that our station was too high powered last year and lost out in points because of power multipliers.

A letter was received by Bill Blennerhassett - VE3AGA from Noel Eaton asking us for a donation toward the new A.R.R.L. Headquarters building.

Then the Secretary Treasurer, who arrived late, read the minutes of the previous meeting and they were adopted as read. He also gave a report on the financial status of the Club, which was found to be in good shape.

Dave Kimpton - VE3AVS bought some parts for the Club station and the question arose who should pay for it, the Club or EMO. The Secretary was instructed to forward the bill to Mr. Art Widnall.

A motion to adjourn the meeting was made by Dave Kimpton - VE3AVS and seconded by Bill Roberts - VE3ARN.

General Meeting 26 April 1963

After which, the Club station was put on the air and coffee and doughnuts were enjoyed.

Also, the Secretary signed up three new associate members.
